Sunset Properties Vacation Rentals Announces Scavenger Hunt

The online event will run from March 14-23rd

Sunset Beach, North Carolina – March 2012/Sunset Properties/Press Release – [Sunset Properties](#), a leading professional vacation rental firm headquartered in Sunset Beach, North Carolina has announced that it will be hosting an online Scavenger Hunt promotion starting this coming Wednesday, March 14th through March 23rd. The event is open to any interested individuals.

“Everyone is excited about the beach season getting closer, and we thought this might be a fun way to keep the beach in mind before the spring season,” said Ron Watts, President of Sunset Properties. “We’ve developed this program with our website partners Visual Data Systems (Ellicott City, MD), and believe it is the first of its kind in our market area.”

Each day Sunset Properties will post a question or task on one of several company web locations, along with a clue on where to find the answer. Those that find the answer in the next 22 hours will be eligible for both a daily prize drawing and the grand prize drawing to be held at the end of the event. Prizes include a \$1,000 credit toward a 2012 vacation stay with Sunset Properties.

Daily questions will be posted starting on the 14th on the company’s Facebook profile page, and on its [blog page](#). For the promotions full details, visit the [Scavenger Hunt](#) page on the Sunset Properties website.

About Sunset Properties

Sunset Properties was formed in 1988, and has grown to service almost 400 vacation rental homes on the barrier islands of Sunset Beach, North Carolina and Ocean Isle Beach, North Carolina. Sunset Properties can be found on the web at: www.sunsetproperties.travel; www.sunsetbeachnc.com; and www.vacationrentalsatoceanisle.com.

Sunset Properties offers a variety of beach homes ranging from 2 to 8 bedrooms in size located oceanfront, bayfront, along canals and marsh, and mid-island. Guests can choose homes with amenity options such as internet access, non-smoking, swimming pools, and even pet-friendly. Guests find vacation rentals a great way to reduce vacation costs since the per-person cost for the average stay is much less than a comparable hotel stay, and homes come with kitchens that allow families to save further by preparing some or all meals at the cottage instead of eating out for every meal.

Sunset Properties’ rental homes at Sunset Beach and Ocean Isle Beach are [conveniently located](#), less than an hour’s drive from numerous attractions in either Myrtle Beach, SC or Wilmington, NC, and are within easy drives from communities such as Columbia, SC; Charlotte, NC; Greensboro, NC, Raleigh NC; and Fayetteville, NC.
